'Mercy is the true face of love. Mercy towards a human life in a state of need is the true face of love' Pope Francis said, explaining that it is by loving the other that one becomes a true disciple of Jesus and that the face of the Father is revealed.

Catholic Archdiocese of Sydney will be holding a **CWF Parish appeal, 3rd and 4th August 2019**, and the Development and Fundraising Office turns to you for your continued support in facilitating this appeal. Your assistance helps raise funds for many of our important works across the Archdiocese of Sydney, including providing family counselling, sharing the gospel to youth, forming our seminarians, outreach to aboriginal communities and support for our Catholic deaf community. The agencies which provide the above services include CatholicCare, the Confraternity of Christian Doctrine, Aboriginal Catholic Ministry, our seminaries and the Ephpheta Centre. Parish compulsory contribution is **\$9,650** for this appeal. The CWF will issue tax deductible receipts for donations of \$2 or more. Please ensure that your parishioners are aware of this and that this is separate to the planned giving donations previously credited to the School Building Fund.

Helping a person in need requires compassion toward their situation, Pope Francis said, encouraging Catholics to think first about their own hardness of heart, not the sins of others. "If you go down the street and see a homeless man lying there and you pass by without looking at him, or you think: 'Eh, the effect of wine. He's a drunk,' do not ask yourself if that man is drunk, ask yourself if your heart has hardened, if your heart has become ice," the Pope said. The true "face of love," he continued, is "mercy towards a human life in need. This is how one becomes a true disciple of Jesus."

A Message from the Archdiocese of Sydney Child sexual abuse is a crime. The appropriate people to deal with crimes are the police. If you, or anyone you know, have been abused, please contact the police. Alternatively, you can contact the Safeguarding and Ministerial Integrity Office at (02) 9390 5810 or safeguardingenquiries@sydneycatholic.org. You may also want to speak to your Parish Priest who will be able to provide support and guidance. The Archdiocese has a legal obligation to report crimes to the police.

There is a great need for a renewal of our liturgy music at 5pm vigil and 9.30am on Sunday. A workshop will be conducted for all, but in particular those who had or have some music knowledge. This event will be completely sponsored by the parish. Music is the heavenly language. Music is a universal language. If we play instruments we not only satisfy aesthetic feelings of people, we allowed our heart to express itself. Lastly we praise God with sounds. Please pray for the gift of speaking to God and people in the manor of composing beautiful tunes for the Greater Glory of God.

The Baptism is the beginning of life—supernatural life. Because of original sin, we come into the world with a soul which is supernaturally dead. We come into the world with only the natural endowments of human nature. The supernatural life which is the result of God's personal and intimate indwelling, is absent from the soul. Original sin is not, in the strict sense, a "blot" upon the soul. Indeed, original sin is not a "something" at all. It is the **absence** of something that should be there. It is a darkness where there ought to be light. Jesus instituted the sacrament of **Baptism** to apply to each individual soul the atonement which He made on the Cross for original sin. Jesus will not force His gift upon us, the gift of supernatural life for which He paid. He holds the gift out to us hopefully, but each of us must freely accept it.

It is a good thing that Jesus loves us in spite of what we are, in spite of our imperfections. Jesus does not love us because of our appearance, or because we can keep ourselves from sinning, or because we are sincere. Instead, he loves us because of who *he* is, not because of who *we* are.
