Reconciliation is so much more than you think. Some people are anxious and fearful about going to Reconciliation. Some have negative memories of past experiences; others have misunderstood the need for the Sacrament, believing that it is sufficient to simply be sorry in their hearts for their sins. Others resist this Sacrament, knowing that Christ's representative, the priest, is himself a human being in need of God's mercy. Others believe that their sins are just too terrible to be forgiven. Yet Jesus tells us that none of these need to keep us from God's healing mercy.

There is strong encouragement to embrace ministries of serving at the altar as acolytes or altar assistants. Prior making decision please pray for a gift of discernment and then follow below advertised information evenings. May God bless your decision to join ministries of the local Church. Prior to attending the information sessions please contact Parish Office.

"I am a local mother of two and our family is Catholic. My youngest child (2) suffers from chronic health issues which make it near impossible for me to attend mass with my children on a regular basis. My eldest child started school at Jannali East Public School this year. We chose a public education due to the proximity of the school to our house and also the much smaller class sizes (only 18) which suit my sons needs much better. The main reason I am writing to you is to thank you for the scripture classes you provide at my sons school on a weekly basis. My son LOVES his scripture lessons with Mrs Duffey and comes home every week to tell me about the things he has learned. He enjoys learning about God and Jesus and the special days we celebrate as Catholics. After his scripture class, we often discuss what he learned at home and he asks many questions which is fantastic and shows he really listens and enjoys scripture. We look forward to him receiving the sacraments through the parish. Thank you so much for delivering this program at Jannali East Public School. With the situation my family is in at the moment having a very sick child, I truly appreciate the fact that my son can attend Catholic scripture as part of his regular school week. It means so much to me that he is able to learn this in his school environment. Thank you again." (the name of the sender).
