

Our parish will take part in the October Family Rosary Pilgrimage this Sunday (4th Oct) after 3pm Mass and Divine Mercy Chaplet. This event promotes the Rosary in the family setting in accordance with Archbishop Anthony Fisher's following statement: "...that every family pray the rosary daily. The rosary is indeed the spiritual sword so much needed in our time."

Whilst recovering from illness, Bob sincerely thanks all for their prayers and support.

Feast Days: 4th: St Francis of Assisi; 6th: St Bruno, Priest; 7th: Our Lady of the Rosary; 9th: St Denis, Bishop, Martyr / St John Leonardi, Priest.

Congratulations and many God's Blessings to Lila and Andrzej Gurba for their 44th Wedding Anniversary on 2nd October.

Pope Francis to sign a new encyclical on human fraternity on Oct. 3. The encyclical is entitled *Fratelli tutti*, which means "All Brothers" in Italian, and will focus on the theme of human fraternity and social friendship, according to the Holy See Press Office. Pope Francis will offer a Mass at the tomb of St. Francis in Assisi privately at 3pm before signing the encyclical on the day before St. Francis' feast day. Human fraternity has been an important theme for Pope Francis in recent years. In Abu Dhabi the pope signed "A Document on Human Fraternity for World Peace and Living Together" in Feb. 2019. Pope Francis' message for his first World Day of Peace as pope in 2014 was "Fraternity, foundation and pathway for peace." Pope Francis' previous encyclical, '*Laudato Si'*', published in 2015, had a title taken from St. Francis of Assisi's "Canticle of the Sun" prayer praising God for creation. Prior to that he published *Lumen Fidei*, an encyclical begun by Pope Benedict XVI.

When we feel helpless we often cling to control as a life raft, but Christ tells us to cling to him during times of illness and every other time imaginable. God has the power to heal us, and he has the power to comfort us and give us new hope. He gives us rest when we are weary and peace when we are uncertain. If you find it hard to pray during difficult times, you are not alone; pray along like this:

"Jesus, you control all the parts of my body, and you know when they're not working at their best. Sickness leaves me stressed and steals time from all the things I want to be doing. I'm honest, Lord. I don't like to be sick. But times like this also make me rest in you, so I thank you for this chance simply to wait on you".

In the story of Job, the Lord is asking Job if he knows the physical and moral laws by which the course of nature is governed (*Do you know the laws of heaven?*) In asking Job that question, God was helping His troubled servant to understand just how little humans really know in comparison with the limitless wisdom of the Creator.

Sunday 4th October. Saint Francis of Assisi (1182 - 1226) is the most popular Christian saint. His radiant spirit is a beacon for those seeking a life of meaning and service. It does no good to put him on a pedestal; rather we should walk with St. Francis on the path of peace, openness, mysticism, poverty, reverence for nature, and love of animals. Adopt St. Francis's words "My God and my all!" as a sacred prayer and repeat it often through the day...Spend some quality time in the company of an animal. Here's a story from *Living the Wisdom of St. Francis* about how St. Francis communed with a bird: "Once when Saint Francis was about to eat with Brother Leo he was greatly delighted to hear a nightingale singing. So he suggested to his companion that they would also sing praise to God alternately with the bird. While Leo was pleading that he was no singer, Francis lifted up his voice and, phrase by phrase, sang his duet with the nightingale."...
