The month of October each year is dedicated to the Most Holy Rosary. This is primarily due to the fact that the liturgical feast of Our Lady of the Rosary is celebrated annually on 7<sup>th</sup> October. It was instituted to honor the Blessed Virgin Mary in gratitude for the protection that she gave (see: **Battle at Lepanto 7 October 1571**) and gives the Church the answer to the praying of the Rosary by the faithful.

We are invited to join together with Catholics across the Archdiocese to pray for our parish communities, our city and our nation. This will take the form of a simple online holy hour on Thursday 30 September, 7 – 8:30 PM. More than 100 Years when Germany first set the clocks forward on April 30, 1916, it became the first country in the world to use DST on a national level.

 Dear Madeline (left) and Linda (right) we acknowledge your Birthdays with our best wishes and prayers.

On 21<sup>st</sup> Dec, 2020, the Congregation of Doctrine & Faith released statement that it is licit to use COVID-19 vaccines that are associated with aborted fetal tissue if no reasonable alternatives exist, and that "the licit use of such vaccines does not and should not in any way imply that there is a moral endorsement of the use of cell lines proceeding from aborted fetuses".

The first Assembly of the Plenary Council begins on 3<sup>rd</sup> until 10<sup>th</sup> October in Adelaide.

*May God bless you dear Barbara and Brian.*  
*God has sent some of his shines into your hearts, and you two keep finding each other in good and bad times for all these years. Happy 51<sup>st</sup> Wedding Anniversary.*

**Psalm 8:3-4** When I consider your heavens, the work of your fingers, the moon and the stars, which you have set in place, what is mankind that you are mindful of them, human beings that you care for them?

On May 1, 1776, a former priest and German Jew formed an occult group called the Masters of the Illuminati, later known simply as the "Illuminati." Adam Weishaupt founded it imitating the organizational base of the religious order, where he had been trained. His plan was for all religions and civil institutions and governments to be eliminated, replacing them with a new global government, which he called the New World Order. (Spirit Daily)

On 6 August, both the Development and Fundraising Office communicated the revised plan for the remaining Charitable Works Fund (CWF) and Priests' Retirement Foundation (PRF) parish appeals, which was approved by the Curia. These dates were: **26 September, CWF appeal; 24 October, PRF appeal; 21 November, CWF appeal.**

Given that we are still in lock-down, and the next CWF appeal is due on 26 September, the Development and Fundraising Office has prepared a CWF email parish appeal which can be open and forward to the parishioners. This CWF email parish appeal pack also includes a special video message (see below for link) from His Grace, Archbishop Anthony Fisher OP, seeking parishioner support. We appreciate this is a very difficult time for everyone, but it is also the reason why we need to support our Charitable Works Fund, which in turn supports Catholic Care, the Ephpheta Centre and many other ministries in the Archdiocese of Sydney.

**Archbishop Carlo Maria Viganò:** "Catholics are naturally oriented towards order, to respect for authority and the hierarchy, because this order and authority emanate from the wisdom of God and are necessary for the government of both public affairs as well as the Church. But precisely because the authority of men comes from God, Catholics – like all citizens in general – cannot accept the usurpation of authority by those who set goals opposed to the very reasons for which that authority is constituted..."
