Beginning of the Vatican II Council (11th Oct.) coincided with the Cuban Missile Crisis, when the USA and Soviet Union came close to nuclear war. Francis noted that Russia is threatening to use its nuclear arsenal in its war in Ukraine. “Why can't we learn from history?” Francis asked. “Even in those times, there was grave conflict and tensions, but they chose the path of peace.”

Thank you for contributing to Mission Appeal this weekend.

1. Dogmatic Constitution on the Church (Lumen Gentium): The church is a mystery, or sacrament, the whole People of God, in whose service the hierarchy is placed. The authority of pope and bishops is to be exercised as a service and in a collegial mode. Bishops are not simply the vicars of the pope, and the laity participate fully and directly in the church's mission.
